The City of Brier is a wonderful community located just 15 miles North of Downtown Seattle, located in Snohomish County. The City of Brier is approximately 2.1 square miles in size, contains 27 miles of streets & roads and has approximately 7,000 residents. This beautiful community also consists of modern single-family homes and has vast open spaces, scenic parks and wildlife. Within the city, the Brier Police Department strives to deliver the highest level of professionalism & service to its citizens. The Brier Police Department offers its community members a full range of services which include Animal Control, Patrol & Investigations & Traffic Enforcement. The Brier Police Department also provides 24/7 coverage of the city and works

collaboratively with neighboring agencies when mutual aid needs arise. The City of Brier endeavors to provide its Officers with the resources, technology and the support needed to ensure excellent policing, investigations and successful prosecutions. Additionally, at the Brier Police Department there are numerous opportunities for additional training & self-advancement!

Come to a place where you are valued! Come to the Brier Police Department!
